13. DOCUMENTATION

Entrants will be supplied with a Route diagrams and time cards at signing on. These documents will provide all the necessary information to enable competitors to comply with H85 & H213.

Competitors may be required to make up lateness at rest halts.

14. SERVICING

Servicing is defined as work being carried out on the car by any person other than the competing crew, or the use of any parts or tools not carried in the competing car. There will be one service area where work may be carried out by the Service Crew of the competing car.

Crews may work unassisted on their own cars as described in H235.

15. IDENTIFICATION

Competitors will be identified by 9" high black numbers on a white background on both sides of the vehicle (not supplied). Competitors will be responsible for maintaining these identifications in a legible condition during the event and their removal after the event or upon retirement. Competitors will also be identified by high visibility numbers supplied by the organisers **to be fixed on both rear side windows.**

16. CONTROLS AND TIMING

The event will be run using Target Timing (H194-H196).

The rally will be divided into Road Sections and Special Stages.

All controls other than Passage Controls (PCs) and Route Checks will be Time Controls (TCs). Each road section will be allotted a Target Time based on approximately 28 mph average or less and a competitor can calculate his Due Time of arrival at any TC by adding his Target Time to his actual time of departure from the preceding TC. On any Road Section following a Special Stage three or four minutes extra will be allowed over the set average speed to account for any delays at the Special Stage Finish.

All Special Stages will have a Bogey Time set at 75 mph and a Target Time set at approximately 30 mph. Competitors will receive penalties as follows:-

- (i) Under Bogey - Bogey Time
- (ii) Over Bogey under Target - Actual Time Taken
- (iii) Over Target - Target Time (No extra time penalties)

However, excess lateness taken over Target on Road Sections and Special Stages is cumulative and once lost cannot be regained.

When accumulated lateness between any two adjacent Main Controls exceeds the permitted maximum of 5 minutes a competitor will be excluded.

Should any recorded time not be legible or not appear authentic the organisers may use any means at their disposal to establish a time.

The following titles shall describe the various types of Time Controls:

(See Drawing nr 184 for description of signs).

(a) Main Controls (MC - Signs 1 and 2)

- (i) Main controls will be situated at the Start and Finish of the Rally, immediately before and after any Rest Halt/Service Area, or at any other specified point.
- (ii) At an MC after a rest halt Competitors will restart at 30 second intervals in order of their arrival at the MC immediately preceding that halt.
- (iii) Each competitor will be given a due starting time from any MC and the difference between this time and his actual starting time will be counted towards exclusion for overall lateness. Also a time penalty will be applied.
- (iv) Competitors not excluded by reason of having accumulated more than the maximum allowed lateness will restart (subject to 16(a)(iii) above) from any MC with zero lateness, i.e. lateness is only accumulated between two adjacent MC's.

(b) Special Stage Arrival Controls (SSA - Signs 1 and 2)

On arrival at SSA a competitor will receive an arrival time only when he is ready to start the stage (helmets on etc.). A competitor who is early may wait for his Due Time subject to H188. A provisional start time for the stage will be allocated in accordance with H207. He must then proceed immediately to the Start Line.

(c) Special Stage Start Control (SSS - Sign 3)

At the SSS a Competitor will be given a start time for the Stage in hours, minutes and seconds and will normally coincide with the provisional time allocated at the arrival control. Once a competitor has clocked in at an SSA the competitor must be ready to start the stage except as laid down in H207. Notwithstanding regulation H152, the starting procedure for special stages shall be replaced by traffic lights in accordance with the following procedures and sequence. The 30 second warning will not be

given. With 15 seconds to go the Red light comes on. With 10 seconds to go the Red light stays on and the five Amber lights come on. With 5 seconds to go the Red light goes out. From 5 seconds to zero the Amber lights count down the last 5 seconds. At zero seconds the Green light comes on to signal go. The green light remains on for 5 seconds

As each section is timed separately the time taken from SSA to SSS is Dead Time and delays are automatically allowed for. The control area between Sign 1 at the SSA and Sign 3 at the SSS will be parc ferme

- (d) Special Stage Finish Control (SSF - Signs 4, 5 and 7)
At the SSF a competitor will receive his finish time in hours, minutes and seconds. This time in hours and minutes will be his start time for the following Road Section. Any competitor who fails to stop at the STOP Line must not, under pain of exclusion, reverse to the stop line, but must return on foot.
- (e) Passage Control (PC)
At certain points indicated in the Road Book the organisers may establish PCs in order to collect Time Cards from competitors or for other purposes. There will be no official times recorded at these controls, but a competitor failing to provide the necessary documents at any PC will be deemed not to have visited that control.

It is a competitor's responsibility to ensure that his times are correctly recorded and handed in when and where instructed. Once a time has been accepted by a Competitor NO FURTHER CLAIMS WILL BE ENTERTAINED. Any adjustment caused by a Timekeeper's error MUST be made at the Control in question.

Caution boards may be used to give advanced warning of hazards and will be sited in accordance with H181.

17. PENALTIES

Competitors will start with zero marks. Classification for the order of merit will be by reference to total marks lost, the winner being the competitor with the least total penalty.

Penalties will be as H212 except:

- 1) Not complying with a requirement of the Road Book or these SR's for which no other penalty is specified - 5 minutes

The following offences will carry a penalty of Exclusion from results:

- 2) Not reporting at or not providing proof of visiting a control or check
- 3) Servicing contrary to SR15
- 4) Contravention of H21-22, H87, H147, H149 or H150.
- 5) Accumulated lateness (in excess of target time) between any two adjacent Main Controls of more than 5 minutes

To be classified as a finisher a car with its crew must complete the course without incurring the penalty of exclusion and hand in a completed damage declaration form with the final time card.

18. G.R. MODIFICATION

H22 - Either crew member may drive during the competition subject to both crew members holding licences to permit that person to drive. Co-drivers intending to drive on special stages shall advise the entry secretary at Signing-on.

H86 - See SR 17.

H200 - Reduced to 5 minutes.

H186 - Controls will close 5 minutes after due time of arrival of last car

19. DAMAGE DECLARATION

Competitors will be required to complete and sign a report declaring that they have not been involved in any incident resulting in damage to private property or injury to persons or animals or alternatively giving details of any such incident where damage or injury has occurred (H248). Any information given will not incur a penalty but failure to hand in a duly completed form will be penalised by exclusion (H212p).

Competitors who do not report at the finish are required to forward the report to the Secretary within 72 hours of the event, unless they have been involved in an incident in which case details must be given to the organisers the same day. Competitors who fail to reply will be penalised by a fine of £100.00 H249.

20. JUDGES OF FACT AND DRIVING STANDARDS OBSERVERS

Judges of Fact and Driving Standards Observers may be appointed by the organisers and will be on duty to observe and report upon any competitor considered to be in contravention of the regulations for the event in accordance with B78-82, B83-86, H140 & 141. Details of Judges of Fact will be displayed at signing-on.

21. DRIVING ON THE RACE CIRCUIT WITH DEFLATED TYRES ETC

Under the conditions our contract of hire for the venue with B.A.R.C. Pembrey Ltd no competitor with a deflated tyre or mechanical problems likely to cause damage to the race circuit is to enter any part of the circuit forming part of a Special Stage. Any competitor who breaches this condition may be reported to the Stewards of the Meeting who may impose a penalty of exclusion from the event.

22. RED FLAG PROCEDURE

The Red Flag procedure as H136.6(c) & H151 will apply on all stages. All competition will cease on appearance of red flags and competitors should stop at the side of the road or track. They must not proceed until advised to do so by an official of the event.

23. PROCEDURE ON ENCOUNTERING A MAJOR ACCIDENT

Competitors are reminded of regulation H148: "Competitors must carry an A4-size white board with a red SOS on one side and black OK on the other (letters to be a minimum of 12cm high with a minimum stroke width of 1.5cm), with means to secure them on display for oncoming Competitors. In the case of an accident where urgent medical attention is required, the red SOS sign should be displayed as quickly as possible to alert following cars and aid any helicopter required. Any crew that sees a red SOS sign displayed on a car, or sees a major accident where both crew members are inside the car but not displaying the SOS sign, must immediately and without exception stop to give assistance. All following cars must also stop and the second car arriving at the scene must inform the next radio point. Subsequent cars must leave a clear route for emergency vehicles. The Clerk of the Course may award a discretionary time to any Competitor delayed in such

circumstances. Any crew which is able to but fails to comply with the rule will be reported to the Clerk of the Course who may impose penalties. In the case of an accident where medical intervention is not required, the OK sign must be clearly shown to following vehicles, and to any helicopter attempting to assist. If the crew leave the vehicle, the OK sign must be left clearly visible to other Competitors. Any crew failing to comply will be subject to a penalty at the Clerk of the Course's discretion. Competitors who misuse the SOS or OK signs will be penalised and may be reported to the MSA for further action."
