

CORACLE STAGES 2006

FOREWORD

Once again, Carmarthen and Epynt Motor Clubs will join forces on the 30th July 2005 to promote the Coracle Stages Rally.

Thanks to the enthusiastic co-operation of the **Bennett-Evans family**, the rally will once again return to the **Sweet Lamb Complex**, with scrutineering, servicing and the finishing ceremony all situated within the popular Mid Wales test venue.

We have revised the route and introduced pace notes and a **recce** session. This will enable competitors to develop the art of note taking on a gravel stage event.

The intention is to again promote a compact, no frills event, offering approximately 40 loose surface stage miles with a central service area - thereby catering for those without a service crew and who may wish to leave their service vehicle in the service area for the duration of the rally. The format has proved popular with both competitors and spectators in the past and the rally earned the prestigious awards of **best event in both the 2003 WAMC Clubmans Forestry Rally championship and also the 2003 ASWMC Loose Surface Stage Championship**.

Regs can be downloaded and returned to Teresa Wood, 13 Edw Crescent, Aberedw, Builth Wells, Powys. LD2 3UH. Tel. 01982 560453.

Anybody interested in marshalling on the event, please contact Mike Griffiths, 37 Clos Y Gelli, Pemberton, Llanelli, Carmarthenshire. SA14 9BA. Tel. 01554 754421 or Email – mike@mikegriffiths.wanadoo.co.uk
Or Clive Morris Email - clivemorris_7@yahoo.co.uk

SPECTATORS

Spectators are welcome to attend the Coracle Stages at Sweet Lamb, excellent viewing is provided at "The Bowl" with water splashes and jumps. Entry is via the normal entry from the A44 into Sweet Lamb with a per car charge and ample parking near the Service Area (follow the signs). First stage will commence at 10.00am and last stage will finish around 3.00pm (subject to entry and conditions)
