## **SPECTATOR INFORMATION**

**Saturday 29<sup>th</sup> December 2007 sees the annual running of the very popular West Wales Rally Spares Christmas Stages at the Welsh Motor Sports Centre Pembrey. The rally has attracted a capacity 75 car entry with local expert Bob Fowden leading the pack closely followed by Peter Lloyd at number 2 in what is sure to be a good battle. Neither of these can relax though as the field contains many potential winners with a big emphasis being on reliability and the always unpredictable weather conditions.**

**Spectators should aim to be there in plenty of time to catch the first of 5 stages which will start at 10.00 a.m. See the Spectator Leaflet for a full entry list and stage times.**
